

Purple Class

WEEK OF: SEPTEMBER 15TH — 19TH

WEEKLY FOCUS

This week our unit will be: Farm.

This week, we'll learn what farm life is like, including the many jobs and animals that help keep a farm running. Learning about farming is a wonderful way for children to understand where our food comes from and why farms are so important in our everyday lives.

We're especially excited for this unit because the kids love learning about animals! If you have any farm-related books at home, please send them in so we can enjoy them together during story time.

REMINDERS

- **Arrival Time:** Please have your child here by 8:00 AM to avoid interrupting our circle time. Late arrivals can make it hard for the group to stay focused.
- **Cubbies:** Check your child's cubby every day. If someone else is picking up your child, please remind them to check it as well.
- **Labeling:** Be sure to label all of your child's belongings. Cups aren't necessary, but if your child brings one, **DHS requires it to be labeled.**
- **Daily Needs:** Send in any items marked on your child's daily report. If your child comes home in school clothes, please return them as soon as possible.
