

White Class

October Newsletter

WE ARE LEARNING

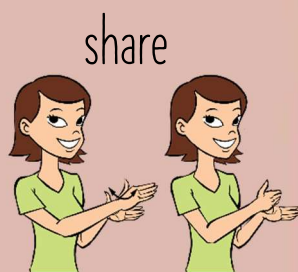

We are officially in our second full month of school! Your child has been growing and learning so much. Ms. Kaitlin and I cannot wait to share new lessons with them. We know they will do great.

We will be focusing on using our manners, saying and using our signs for "please" and "thank you"

We will be learning two new signs this month. "Friend" and "Share"

share

REMINDERS

- We will be sending summer clothes home. Please bring two weather appropriate outfits for your child. Remember to put names on everything so we get your child's belongings back to you.
- We go outside in the morning, and the mornings can be chilly as fall weather comes in. Please send your child with a jacket for chilly mornings.

IMPORTANT DATES

- October 1st will be our fall pictures
