

Green Class *February* News

February 2nd - 6th

Reminders/Events

February 13th

Valentine's Day Party

Lessons & Circle

Please remember that our Montessori lessons and circle time begin at 8:15 M-F. Please have your child here before then. It is disruptive to the other children engaged in learning when your child gets dropped off during that time.

If your child is going to eat breakfast at school they need to be here by 8:00. Please don't send your child with breakfast during our circle and Montessori lesson time.

Don't forget to return school clothes that your child has been sent home in.

Thank you!

What We Are Learning

This week's focus will be on Dental Health! The kiddos will learn what it means to properly take care of our teeth. We will have a few special visitors from a couple of local dental offices to share with the kiddos the importance of dental health.

Color of the week: Green

Sound of the week: Zz

Shape of the week: square

Valentines Day Party

Our Valentine's Day party will be on Friday February 13th. We are asking that each of you bring in individually wrapped treats! These can be candy or any type of snack, like gummies, cookies, goldfish ect, as long as they are in individual packaging that we can send home in their goody bags. The kiddos will also get to hand out valentine cards! Please bring your cards already filled out. You are also welcome to bring a valentine box or I will have bags here for the kiddos to use.

You can write on their cards

To: Friend

From: Your child's name

We have 12 kids in our class.
