# Blue Class newsletter

## PEEK AT THE WEEK

This week we will learn about dental health. It is very important in a child's early development to learn about dental health so they can develop a positive attitude about good dental habits.

## UPCOMING UNITS

February 9- Valentine's Day  
February 16- President's Day  
February 23- Nursery Rhymes

---

Sound of the week  
"Z z"

Spanish words  
Dentist- Dentista  
Tooth- Diente

## LOOKING AHEAD

February 13- Valentine's Party  
April 3- Closed for Good Friday  
(week not pro-rated)

Our Valentine's Party will be Friday, February 13th beginning around 8:30. We will be making crafts, passing out cards and eating a special snack.

We are asking all the **boys** to bring a bag of individually wrapped candy. (Girls will bring candy for the Easter party)  
We have 24 students in our class.

\*\*\*To make passing out Valentines easier please write on each:

To: Friend  
From: (your child's name)

This cuts down the time it takes to pass them out and leaves more time for fun!
