REVIEW

White Class is doing a great job during circle time and lesson time!

They love counting to 10 in Spanish. They have so much fun saying good morning to all our friends.

This month we will be introducing new Spring, St. Patrick's Day, and Dr. Seuss lessons. We will also be showing them how to say their colors in Spanish. We know they are going to love learning new lessons and skills.

IMPORTANT DATES

Spring Pictures; more info will be sent out soon.
