

# March Newsletter

Hello Pink Class,

February brought some crazy weather, but we have managed to soak up the sun and good weather as it comes. Our Valentine's Day party was a huge success, they really enjoyed making the galaxy sensory bottles! Thank you very much for all the goodies, cards and snacks that you sent, the students loved it all. Pink class also had fun taking the cutest Valentine's pictures and making a valentine card for you; the cutest keepsakes that bring lasting memories!

In March we will have many spring activities. We love decorating for spring and celebrating Dr Seuss week. This month we will practice "I Love You" and "Dad" for our sign language. Our newer students are picking up on our commonly used signs such as: "more, all done, milk, thank you, I'm sorry & please". Pink class has also been working on their color signs. They also love counting, color matching, book reading time and of course singing songs. We just learned the letter "Q" and its sound. These kiddos are a blessing and joy to have in class. We look forward to watching their continued growth and happiness! Thank you for allowing us to be apart of their educational stepping stones.

- Ms. Angie & Ms. Micaela

## Reminders:

- Please send your kiddos to school in appropriate clothing as best as possible in the unpredictable Arkansas weather and leave an outfit in their clothes bag.
- Label **everything** with your child's name.
- Make sure that everyone listed on your child's pick-up list, including parents, has their ID on file with the Pink Room. It is always a good idea to bring your IDs with you at pick-up.
- **We will be closed April 3rd for Good Friday, week is not prorated.**
- **Spring pictures:** More information to come.
- Should inclement weather occur we will send out a mass text to inform you if we will be closed. We will also put the closure on KTLO (Montessori does not go by public school cancellations)
