WHITE CLASS

Review

We have reached the last month of the school year! It has been a great year with your little and we are so proud of all they have accomplished. This year we have learned 20 basic ASL signs, 5 animal ASL signs, and 11 color ASL signs! We introduced counting to 10 in Spanish as well as our colors in Spanish. Ms Kaitlin and I are so happy that we got to be a part of your child's early education here at Montessori!

Focus

This month we will focus on what we have already learned this year. We have switched out our lessons one last time before summer. We are so excited to show them some new lessons one last time in White Class. We know they will do a great job.
