WEEKLY FOCUS

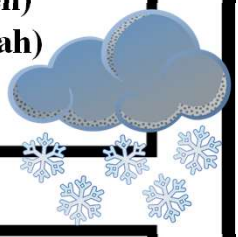

This week, we're learning all about the wonderful world of weather! The children will explore different types of weather, including sunny skies, rainy days, cloudy weather, wind, and even thunderstorms. We'll enjoy fun weather-themed crafts, stories, and hands-on activities while discovering how the weather changes and how it affects our day. We're looking forward to a week full of learning, exploring, and weather fun with our little sunshine makers!
