White Class

Reminders

Fall is officially here, and our days are getting chilly. We will be sending summer clothes home and ask that you bring two weather appropriate outfits. If it is chilly send your child in with a jacket for outside play time.

Be sure to check dailies everyday to see if your little needs anything such as diapers, clothes, or wipes.

Important Dates

We are planning a Friendsgiving on the **19th**
(More info will be sent home soon)

November 26th and 27th Montessori will be closed for Thanksgiving
(This week will be prorated)

Learning & Focus

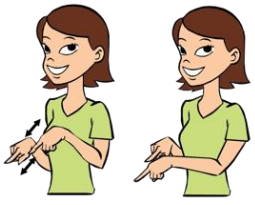

This year is flying by fast! Your child has made so much progress these past few months. Several of them are now signing their colors, can count to 10 (in Spanish as well), and recognize all our shapes.

We will continue working on saying "Please" and "Thank you."

Our new ASL signs we will introduce are "socks" and "shoes." We will start working on teaching your little how to put on their socks and shoes on their own and encourage you to do so at home.

Shoes
