Pink Class

Class Time

October was a fun month in the Pink Class. We loved watching the trees change color & see their leaves fall. Our Fall Party was a complete hit. We enjoyed many special treats, had fun painting & "carving" a pumpkin and did some fall art projects. The students have also made great strides with their social interactions. Many of them have very obviously become friends. They giggle at each other and communicate in different ways to get a laugh from a friend. Our sign language skills have progressed; most are using "eat" & "more" regularly and they are continuing to learn our everyday routines such as lining up to wash hands and go outside.

Lesson & Circle Time

This month we have many fun activities planned. We will work on a few Thanksgiving themed projects & lessons as well. Pink Class loves lesson time. This time provides a strengthening for their fine & gross motor skills, cognitive and communication skills as well as a sense of accomplishment. We will continue with our sign language, focusing on the signs for "milk" & "drink", our ABC's, numbers, shapes & colors. This is sure to be an exciting month!
